

# Catering

Whether it's a working lunch, a party in your home or getting together for the big game, Monty's Sandwich Company has the food everyone will love. Choose from a wide variety of hand crafted sandwiches, signature wraps, refreshing salads and made from scratch soups.

# Location

# About Monty's

Monty's was created around the idea of bringing the sandwich back to prominence. The sandwich does not have to be average. The right meats, cheeses, bread, and fresh produce can work in harmony to create an outstanding sandwich experience. Named after John Montagu, the 4th Earl of Sandwich, it's only fitting that we create sandwiches that would make our namesake proud.
